### **PEBBLEBROOK PARK ACCESS CLOSURE**

Beginning Monday, October 20, 2014, the western entrance to Pebblebrook Park, near the dead-end of Overbrook Lane, will be closed. The pedestrian bridge crossing the creek will be removed for contract sewer repairs by Krapff-Reynolds Construction Co., under contract to Norman Utilities. Citizens are cautioned to avoid the entire construction area for their own safety. The park will not be closed, but this entrance area will be completely restricted.

Weather permitting, work should be complete and the entranceway re-opened before Thanksgiving. Signs will be placed by Krapff-Reynolds to caution the public. Questions or comments may be directed to Charlie Thomas, Project Manager, (405) 366-5443 or [Charlie.Thomas@NormanOK.gov](mailto:Charlie.Thomas@NormanOK.gov).

**PLEASE SLOW DOWN AROUND ALL CONSTRUCTION AND WORK ZONES!!**
